## 10. Social Media Account Access

As part of the Service, users may voluntarily provide their access credentials (e.g., username and password) to social media platforms such as Twitter or Bluesky. By providing this information, you grant us permission to access and manage your account for the purpose of boosting visibility and engagement.

We will use your account only with your explicit consent and solely for the agreed-upon purpose of enhancing your social media presence. However, we do not guarantee any specific outcomes and disclaim any liability for actions taken by third-party platforms, including but not limited to suspension, banning, or deletion of your account.

You acknowledge and agree that providing access credentials carries inherent risks, and you do so entirely at your own risk. OFpilot shall not be held liable for any loss, damage, or harm resulting from the use or misuse of your account by the Service.
